1. Catherine Nasimiyu of salvation army church faced a lot of challenges when her husband passed on. She was pregnant with another child. The in-laws were too hard with her to a point of trying to chase her out of her home. When she gave birth to her child after 3 months, she came to the mountains to pray with her 3 months child and she fasted for 3 days. After her fasting she went back home and to the glory of God all the battles were over. The in-laws began to help her with her children and even took the big one to school. Up this date they still support her. She comes from west pokot county.

2. A lady from kakamega county, Jackline a principal of a special school came for 7 days fasting. She had been operated and discharged from the hospital in fear of dying because they were two in the hospital who had been operated with same issue and the other one died. She decided to come to the prayer mountain to seek God for mercy for two days she could not leave the room as usual, but one of the days, she could leave the room to the compound pleading to God. Shouting: "Jesus' son of David have mercy on me"! On the seventh day she was completely made whole. She was very joyful and could jump up and down on the alter declaring that the lord has made her whole. Glory to Jesus.

3. A former student of God bless you high school came here to pray for a financial breakthrough. He had no money even to register for his five days fasting. On the second day he found out that 50000 shillings had been deposited to his kcb account. He did not know who did it and he rejoiced greatly and since that time he often comes to the prayer mountain. His mother also had a wound that was not healing in her leg. He prayed in the prayer center and the wound dried up completely. He is called Brian Kiprop.

4. Susan Tela recently came for prayers without her car, because she did not have money to repair the broken side mirrors. The lord provided miraculously again. The sister (pastor) came to the mountain and in days of her prayers she got a visa to travel. To Canada. Glory be to Jesus. This was an instant miracle.

5. A farmer pastor Nicolas baraza planted his tomatoes well around 20 acres. The second days he was called and informed that all the surrounding land to the tomatoes were drying due to a kind of problems. The third day he was called and told that all other tomatoes that had been planted by other farmers had dried up except his. He told us that God had promised him a car and now it was time to buy it. Hallelujah.

6. Ann Wekesa has been in the prayer mountain severally but this November and December she came for 40 days fasting. She works as a house help and is a widow but through her prayer she has managed to educate her kids to university level. The lord has been faithful to her prayer and they are now working. She gives glory to God.

7. Jason Simiyu came for prayers at the mountain because He has been in squatter and had believed God to go back to work but had corona. The lord intervened after prayers and fasting in this place He is now out of the squatter working with the British embassy. This December He came back with his daughter to give thanks and prayer.

8. Pastor Sammy from West - Pokot came to pray for a wife in this place and the lord answered his prayers. The lord has given him a wife and they got married 31 December 2023.

9. Sister Joyce from redeemer's faith church in Kitale came while expectant there were many rats and funny creatures in there village home and came that God may intervene. She came for prayers and fasting that the lord may fight her battles because it was not something normal. The lord fought for her battles and all is well she testified it on December 2023.

10. Pastor Joshua of Word of Faith Church has been praying here for his ministry and has seen God expanding him all through as he has been coming for this mountain since 2015.
